

# Acknowledgments

In order to publish four issues of *Zygon* each year, many people volunteer their time and expertise in the assessment of manuscripts. In doing so they provide valuable advice to the editors as they make their final decisions concerning what to publish in the journal. Grateful acknowledgment is here given for the assistance provided by associate editors, members of the editorial advisory board, and members of the Joint Publication Board, who are listed on the inside cover and under "Sponsoring Organizations." Appreciation is also expressed to all those listed below for their assistance during the past year in the editorial process.
