Legacy

CASIRAS, the Center for Advanced Study in Religion and Science, one of the two organizations supporting *Zygon: Journal of Religion and Science*, has received a generous bequest from P. Roger Gillette (May 12, 1917 – March 2, 2017).

Roger was a long term friend of the journal. He published in *Zygon: Journal of Religion and Science* two articles, “A Religion for an Age of Science” (37 (June 2002), 461–472) and “How Science Can Help Religion Benefit Society” (40 (June 2005), 299–306). May the memory of him be an inspiration to others.
